

Stuart

Andrew

Will YOU sponsor Team 8bit Pair?

Team 8bit Pair is a father-and-son combo, Stuart and Andrew Hatch, which is taking part in the great Monte Carlo – or Bust! Rally 2013. As one of over 70 teams we have accepted the challenge to buy a car for under £250 and drive it to Monte Carlo. We will be assembling with the rest in Saint-Quentin, France, on Thursday 10th July. The Rally's first stage is on Friday 11th and takes us from Saint-Quentin to Dijon. Saturday takes us from Dijon to Turin and on the final day, Sunday 14th July – Bastille Day – we drive the final leg from Turin to Monte Carlo. See the details at:

montecarloorbust.eu

We are doing this to raise funds for our respective charities – the Marfan Association and the Ménière's Society. Will you sponsor us? In return for making a donation to one or the other (or both!) we will carry your self-adhesive decal on our car. If you do not have a decal we can have one made for you which will be yours to keep after the rally. The car and one or both team members will be available to you for a photo-shoot which you can use for your own publicity purposes.

We are fully committed to this fund-raising venture. We have already:

- bought the £249 car
- insured it
- paid the £200 entrance fee to the Rally
- paid the £100 for the cross-channel ferry

We will:

- buy our food
- pay for accommodation
- pay for the petrol on a 2,500-mile round trip
- meet any other expense

This means that

every penny you donate will go to the charity of your choice.

We guarantee this because YOU will make the donation DIRECTLY to the charity on-line:

Marfan Association: <https://www.charitychoice.co.uk/donation.asp?ref=4808>

Ménière's Society: <https://www.justgiving.com/meniere/>

Will you help THEM to help OTHERS?
